

from acting are on full display. Our planet suffers as a consequence. We avert our eyes in the pursuit of cheap fossil fuel. But nothing comes without a cost, and our debt is coming due. Pope Francis drove home this point in a recent Sunday address, saying: “We have caused a climate emergency that

gravely threatens nature and life itself, including our own.”

Our world is on fire. I am sorry to quarrel with Billy Joel, but this time, we did start the fire. If that can’t get the attention of my colleagues in Congress, I do not know what can.

We must wake up.

I yield the floor.
